## NOTICE OF MEETING

Such entitlement does not however include the right to speak on any matter except at the commencement of the meeting given over specifically for that purpose. Although not a requirement to do so, prior notification to the Clerk by noon the previous Friday would enable a full response when appropriate to be given.

Members of the public will be able to participate informally from 6.30pm to allow discussion/comment of agenda items. Those wishing to address the Council during the meeting must make the Chairman aware of their intention before the meeting starts. Members of the public wishing to record the meeting are asked to notify the Chairman of their intentions so that the appropriate arrangements can be made.

Under the Openness of Local Government Bodies Regulations 2014, any members of the public are allowed to take photographs, film and audio record the proceedings and report on all public meetings (including on social media). No prior notification is needed, but it would be helpful to let the Clerk know of any plans to film or record so that all necessary arrangements can be made to provide reasonable facilities to report on meetings. This permission does not extend to private meetings or parts of meetings which are not open to the public. All recording and photographic equipment should be taken away if a public meeting moves into a session which is not open to the public. If you are recording the meeting, you are asked to act in a reasonable manner and not disrupt the conduct of meetings, for example, by using intrusive lighting, flash photography or asking people to repeat statements for the benefit of the recording. You may not make an oral commentary during the meeting. The Chair has the power to control public recording and/or reporting so it does not disrupt the meeting. Recording must be clearly visible to anyone at the meeting. Please note that members of the public exercising their right to speak during Public Question Time may be recorded.
