

SEAVINGTON PARISH COUNCIL

Clerk to the Parish **Sue Doble**

E-Mail: clerk@seavingtonparishcouncil.gov.uk

The next Parish Council meeting is scheduled for Tuesday, 15 September 2026, at 18:30, and will take place at Seavington Millennium Hall.

It has been truly wonderful to see the village looking so well cared for and welcoming. The pride that residents take in Seavington is reflected in the appearance of our streets, green spaces, and shared areas, and it is a pleasure to see the continued improvements and attention to detail throughout the village.

A great deal of appreciation must be expressed for the hard work and dedication of our Ranger. The role requires commitment, organisation, and a great deal of effort behind the scenes, much of which happens quietly as part of the day-to-day work of keeping the village looking its best. The Ranger works hard in all weathers to maintain the appearance of the village, attend to various tasks, and ensure that our public areas remain pleasant and enjoyable for everyone.

The results of this work are clearly visible, and we would like to thank the Ranger for the time, care, and effort that goes into maintaining the high standards that residents and visitors have come to appreciate. Keeping a village looking its best is a continual process, and the contribution made by the Ranger is an important part of maintaining the character and community spirit of Seavington.

To support the Ranger in carrying out this work effectively, we would like to remind residents that all requests for Ranger tasks must be submitted through the Clerk by email. This allows all requests to be properly recorded, considered, and prioritised, ensuring that the Ranger's workload can be managed effectively and that planned tasks can be completed in an organised way.

We kindly ask residents not to approach the Ranger directly with requests while he is carrying out his duties. Although the Ranger is always working on behalf of the community, stopping to discuss individual requests can interrupt the work currently being undertaken and can affect the schedule of planned activities. Using the correct reporting process helps the Ranger remain focused and ensures that tasks are completed as efficiently as possible.

We would also like to gently remind residents that, when Councillors are out and about in the village, they may be enjoying their own personal time. We kindly ask residents to respect this and, where possible, avoid approaching or interrupting Councillors during these occasions.

The Parish Council appreciates the support, patience, and cooperation of all residents. By following these simple processes, we can help our Ranger and Councillors continue their important work, allowing them to focus on keeping Seavington a beautiful, welcoming, and well-maintained village for everyone to enjoy.

Thank you to everyone for your understanding and for the part you play in helping our village remain such a special place.
