

SEAVINGTON PARISH COUNCIL

Clerk to the Parish **Sue Doble**

E-Mail: clerk@seavingtonparishcouncil.gov.uk

The next scheduled Parish Council meeting will be held on Tuesday 19th May 2026 at 18:30 in Seavington Millennium Hall.

The Parish Council has recently reviewed the accounts for the previous financial year, and we are pleased to confirm that they have now been signed, approved, and prepared for submission to the external auditor. This is an important part of the Council's annual responsibilities, helping to ensure that parish finances are carefully managed, properly recorded, and transparent for all.

As part of this process, there will also be a formal period during which the accounts and supporting documents will be available for public inspection. The relevant dates will be published separately, so that anyone who wishes to review them may do so. Openness remains an important part of parish business, and this is one of the ways in which we continue to make local governance visible and accessible to residents.

The Council also considered a planning application relating to an additional dwelling at Dove Cottage. Following discussion, the proposal was supported, with members recognising the positive impact it could have in supporting the changing needs of family life for the residents. Sensitive, considered development of this kind can play an important role in helping village life remain strong, adaptable, and rooted in community.

We are very fortunate to live in such a warm, welcoming, and special place, and parish meetings are one of the ways we help look after that sense of community. The Parish Council meets on the first Thursday of every month to discuss local matters, hear updates, and consider the issues that affect village life. These meetings help ensure that the parish continues to move forward in a positive and thoughtful way.

We are also currently looking for a new Parish Councillor to join the team. This is a wonderful opportunity for someone who cares about the village and would like to play a part in helping shape its future. If you have a positive outlook, a little time to give, and a genuine interest in supporting the happiness and wellbeing of the community, we would be delighted to hear from you.
