I hope everyone is managing to enjoy the lovely hot weather we have been having. The sunshine has certainly been welcome, although I'm sure many of us are now looking at our gardens and wondering when the lawns last saw a drop of rain! The grass is looking rather more like shredded wheat than a lush green lawn at the moment, and the watering cans have been getting plenty of use.

As there was no Parish Council meeting during August, there is very little to report from the Council this month. August is always a quieter time, with many people taking holidays and enjoying some well-earned time away, so the Council takes a short break from its regular meetings.

Our next Parish Council meeting will be held on Tuesday 15th September at Seavington Millennium Hall, with the meeting starting at 6:30pm.

The meetings are open to members of the public, and residents are always welcome to come along. They are a good opportunity to keep up to date with what is happening in the parish, hear about local matters and raise any questions or issues that you may wish the Parish Council to consider.

So, enjoy the rest of the summer, make the most of the sunshine (and perhaps give the lawn a little sympathy!), and we look forward to seeing residents at the September meeting.
